Milestone Foundation Limited

Statement of Service Performance

For the year ended 30 June 2026

Why the entity exists:

Milestone Foundation Limited (MFL) was set up to provide financial support to community organisations. It may make grants for any charitable purpose and any non-commercial purpose that is beneficial to the whole or a section of the community. Priority funding will be given to education, health and matters that promote and support the Asian culture. The funds are raised via gaming machines in bars/taverns.

MFL currently operates gaming machines across Auckland, Te Awamutu, Hamilton, Kawakawa, and Kaitaia areas. The company is keen to operate at more venues, if the addition(s) would be viable.

Gambling can be a harmful activity for some people, and MFL acknowledges its social responsibility in this regard, actively supporting and managing harm minimisation at venues. The company's venue operators are equally active in this area, enforcing the current persons excluded from gaming while monitoring gaming activity to identify potential problems and intervene where necessary.

Outputs:

During the June 2026 Financial Year, applicants received 40.30% of GST-exclusive Gaming Machine Profit (GMP) (2025: 41.61% of GST-exclusive GMP).
